

Colpitts World Travel Joins Ensemble Travel® Group
New Affiliation to Add Enhanced Benefits & Services for Vacation Travelers

DEDHAM, MA., June 23, 2008 – Colpitts World Travel, ranked among *Travel Weekly's* top 50 travel agencies in the industry with sales of \$164 million in 2006, today announced it is joining Ensemble Travel® Group, an international network of 1,000 expert travel agencies that offers vacation travelers special benefits and savings through its superior amenity and services programs.

According to Alan M. Krensky, President and CEO of Colpitts World Travel, Ensemble Travel Group offers a collection of competitive products that will enable Colpitts' travel specialists to enrich their clients' overall travel experiences with unique, value-added benefits. Programs such as Ensemble® Hosted Cruises and the Ensemble® Hotel and Resort Collection deliver authentic special experiences not often available through other travel agencies.

“We wanted to align ourselves with a powerhouse organization that could help us really connect with our customers,” said Krensky. “From targeted marketing tools and private-label products, to a breakthrough technology platform that puts us top-of-mind with our clients – Ensemble Travel Group does just that.”

Colpitts World Travel was founded in 1890 and has grown into one of the largest travel management companies in the world. Headquartered in Boston, the company employs more than 120 specialists in its four disciplines: corporate travel management, meetings & incentives, vacation travel, and group travel.

“We are delighted to welcome an organization with the impressive size and history, generous community commitment, and insightful business acumen of Colpitts World Travel to Ensemble Travel Group,” said Jack E. Mannix, CTC, president and CEO of New York-based Ensemble Travel Group. “We are committed to helping Alan Krensky and his team continue to exceed their clients' expectations in the vacation travel arena.”

Colpitts World Travel operates 25 offices in the U.S., in addition to a Canadian headquarters in Toronto and a European headquarters in Edinburgh, Scotland.
